From the desk of the pastor,

Christmas has come and gone and the New Year is here. With so many things to look forward to let us not forget to look back to see what great things God has done for us in the past. He has saved, He has answered prayer, He has provided abundantly above our needs, He has been a God we can call on in our times of need or in our distress, and He has never left us nor forsaken us. I look forward to an incredible 2019 at Woodland. I look forward to how God is going to use this congregation to accomplish His mission in Jackson, TN and around the world. There is so much to be anxious for in the coming year with our Lord. With all He has done for us in the past, why would we not serve Him with great anticipation for the future?

Love you all in the precious name of Christ,

Bro. Stacy McCollum

A Study of Hope

"Hope, Waiting Not Wishing"

3 week study

Sundays, Jan. 20,27; Feb 3 - 4:30-5:45pm

Thursdays, Jan 24,31; Feb.7 - 9:00-10:15am

A Study of hope. Every human being needs hope. Without hope we are lifeless, merely existing. Hope looks to the future and brings expectancy of brighter things to come.

Romans 15:4 For whatever was written in former days was written for our instruction that through endurance and through the encouragement of the Scriptures we might have hope.

Join us as we study what God says about hope.
