From the desk of the pastor,

God is alive and well at Woodland! The Lord is bringing new people to be part of our church family and I for one am so proud to see the Lord add to our church! We have an awesome privilege that many churches don't have. We come together in unity! The love of Christ is evident in this place and in the lives of the people of Woodland.

People should hear from us that we have the best church family in Jackson and we want them to be part of it. We worship the one true God and they too can know Him. The Lord's alive and well...what a great message to be telling those God has placed in our lives. I encourage you to keep sharing the Gospel and your love for Christ so they might be saved. Also, continue inviting people to be your guest at Woodland telling them what is so special about this place. They just might become our newest family member.

Love you all in the precious name of Christ,

Bro. Stacy McCollum
